

Dear AGS Members,
You are cordially invited to the **AGS/JSG FANS Spring Social** at the new BEG Core Research Facility upstairs terrace on Mar. 25th, 2022 from 5pm-7pm. There will be beer, wine, and hors d'oeuvres on the terrace with a whole core viewing downstairs in the new lab along with access to the new rock garden. Please join us to visit with your fellow geoscientists and tour this amazing new research facility.

AGS/JSG FANS Spring Social

Where: Upstairs terrace of the Core Research Lab
(10611 Exploration Way, Austin, TX 78758)
